Education

Ed.D. - Doctorate in curriculum and Instruction, and additional emphasis in GT/C Education - Oklahoma State University, Stillwater, OK. 1990.

M.Ed. - Elementary Education - Phillips University, Enid, OK. 1984.

B.S. - History and Elementary Education - Towson State University, Towson, MD. 1972

Major fields of training and experience in education:

Curriculum and Instruction, Educational Foundations, Gifted Education and Creativity, Elementary and Secondary Methods, Educational Psychology and Philosophy, Theories of Learning, Models of Teaching, History and Social Studies.

Dissertation: *Oklahoma Elementary Teachers' Perceptions of Personal Style and the Acceptance of Holistic Education*

(Holistic teaching practices were defined into twenty-one, discreet belief statements. Also, using the Gregorc Style Delineator, Oklahoma elementary teachers' personality profiles were gathered and charted. Correlations between teachers' personality styles and their beliefs in holistic practices were analyzed combining both quantitative and qualitative methodologies.) Major Advisor. J. Randall Koetting

Professional experience

-
- Presenter and consultant on professional development topics for educators at all levels.
 - Professor Emerita, School of Education, University of Wisconsin – Stevens Point (Online graduate courses - 2009-to Dec 2012) for Continuing Education/College of Professional Studies)
 - Professor - University teaching 1990-2009 for School of Education, 452 College of Professional Studies, University of Wisconsin-Stevens Point
 - Graduate teaching assistantship and student teacher field supervision 1988-1990
 - Family business 1982-1987
 - Public school teaching in: Elementary, Remedial Reading, Gifted and Talented in Maryland and Georgia 1967-1976, and Oklahoma 1985-1987

Courses Taught

Past teaching assignments:

Undergraduate: Part of load 1993-2008

- ED 381 Educational Psychology

Graduate courses: Online graduate offerings: 2005-2012

- ED 701 Philosophical Foundations of Education - An E-Course Online
- ED 726 Models of Teaching and Learning - An E-Course Online
- ED 790 Brain-based Education – An E-Course Online
- ED 390/590 – Transforming Conflict – An E-Course Online (offered online Winterim 2008-09)

Graduate Courses (face-to-face) as part of regular rotating load: 1990-2008

- ED 703 New views of learning
- ED 721 Fundamentals of Curriculum
- ED 783 The Reflective Teacher
- ED 784 The Creative Teacher

Taught from 1990-1993 (These were dropped from our programs in 1993)

- ED 280 Principles of Education
- ED 380 Foundations of Education
- ED 722 Elementary Curriculum

Scholarship and Professional Development - Grants, Publications, Reviews and Presentations

Professional Development Presentations:

When backwards is forward thinking: A conversation about creating courses through a new design.

Professional development presentation for Brescia University. Owensboro, KY. September 27, 2016.

The Flipped Classroom – Doing flipped right so it's not a flop. Professional development presentation for Brescia University. Owensboro, KY. September 27, 2016.

Last Lecture Series for faculty at the College of Professional Studies – University of Wisconsin at Stevens Point – Fall 2008

- September - ***Bridging the gulf - Contexts for understanding today's students.***
- October - ***Keys to the kingdom – Becoming an excellent teacher in academe***
- November - ***Consulting the crystal ball – Trends and possibilities as they concern teaching, learning and the future***

Speaking Millennial: Understanding and teaching a new generation of students. Network for excellence in teaching. - Faculty development workshop at University of Wisconsin-Eau Claire. May 23, 2006.

When backwards is forward thinking: Recreating courses through a new design. Network for excellence in teaching. Faculty development workshop at University of Wisconsin-Eau Claire. May 23, 2006.

****For other topics – see the array of juried, scholarly presentations below under National and Regional presentations.**

Writings and Publications:

1. Book - *Every child, whole child.* Zephyr Press, Tucson, AZ Fall/1994 (Out of print)

2. Book chapters - On rites of passage education

Speaking to hearts and souls: Offering today's youth opportunities to explore selfhood by adding re-envisioned benchmarks and rites of passage to schooling experiences in ***Holistic Learning: Breaking New Ground.*** Eds. Miller, J. P. Karsten, S. & Denton, D. (Eds) (2005) SUNY Press.

Milestones: Integrating celebratory elements of individual achievement and family tradition into the curriculum - In *Perspectives on the Integration and Unity of Knowledge*, R. Glasberg, G. Benson, and B. Griffith (Eds.) (1998) Peter Lang Publishing, New York, NY.
